

FLAHIVE, OGDEN & LATSON

ADVISORY NO. 11

The commission issued Supplement A of Adopted Rules Packet on February 25, 1991.

We are attaching a set to you for duplication.

The commission will continue issuing rules in supplement form and we will keep you updated.

We know it is difficult to work with so many different sets, but we can not publish our consolidated Rules Edition until the Commission finishes its entire work.

FLAHIVE, OGDEN & LATSON

Advisory No. 11
