

FLAHIVE, OGDEN & LATSON

ADVISORY NO. 16

TOPIC: FORMS, INSTRUCTIONS, RULES AND COMPENSATION RATE

FORMS AND INSTRUCTIONS

Since our last advisory, the commission has promulgated certain new forms and form instructions. They are attached as Form Packet A. These forms and instructions replace certain interim forms and instructions you previously received from our office in December. You should take the attached package and replace the prior instructions and/or forms with the new instructions and/or forms.

Please alert all staff to review the updated forms and instructions closely. The TWCC Compliance and Practices Division has recently issued a memorandum that incomplete and/or outdated on June 1, 1991 (two weeks away).

RULES

The commission is still in the process of adopting rules. We are attaching the rules that the commission has adopted and published as Supplement C and D. Please add these to the adopted rules previously forwarded to you.

We anticipate there will be additional rules coming out for the next several months. We will continue to provide those to you through these advisories as they are distributed.

COMPENSATION RATE

The TWCC has advised that the maximum weekly compensation rate for injuries on or after September 1, 1991 through August 31, 1992 will be \$438.00 and the minimum will be \$66.00.

Advisory No. 16
