

ADVISORY NO. 47

TOPIC: MORE NEW RULES

TWCC has released twenty four new rules. Nine of the rules are amendments to rules previously published in our manual. Three of these have major changes on Medical Services, Charges and Payments (Rules 134.800, 134.801 and 134.802). The effective date on these three rules is June 1, 1992.

New rules 130.101 thru 130.110 cover Supplemental Income Benefits.

The attached addendum format is designed to be cut down and stapled in the back of your Manual behind the rule section.
