

ADVISORY NO. 63

TOPIC: NEW TWCC RULES SUPPLEMENT L

TWCC has adopted 33 new rules and 7 amendments since the Supplement K of new rules was released in May of 1992. These new rules, along with a revised Table of Contents, are attached as Supplement L. This supplement provides a revised Table of Contents. Additional copies of Supplement L are available through TWCC's Reprographics Department at a cost of \$13.29 if mailed.

Flahive, Ogden & Latson's new manual will be available in mid January. The manual will have all of Supplement L, plus the new rules adopted through December 1992, so that you will not have five or six places to look for the rules. If you have not placed your order for the new manual you are urged to do so at this time. An order form is attached for your convenience.

Please see particularly Rule 134.802 which we expect will not be mandatory until July 1, 1993. We expect a future advisory from the commission extending the effective date.
