TWCC has issued revised instructions on filing electronic claim submissions. See Flahive, Ogden & Latson Advisories Nos. 65, 67 and 68.

TWCC is instructing all carriers to begin using the instructions issued December 31, 1992 (FOL Advisory No. 68), as soon as possible, but no later than April 15, 1993. These new instructions become mandatory in accordance with Rule 134.802 for all carriers currently submitting electronically on April 15, 1993. Carriers are instructed to process all provider bills in compliance with the instructions dated December 31, 1992 regardless of whether they are in compliance with the December 31, 1992 electronic submission instructions.
