

ADVISORY NO. 77

TOPIC: NEW TWCC ADOPTED RULES

The following rules have been adopted and are effective as shown on each rule. These rules were adopted after the FO&L 1993 Edition Manual, and therefore not included. All other rules in Supplement M were printed in the 1993 Manual (orange cover). We suggest you interline your manuals. The rules have been reduced to manual size and you can staple in the back of the manual.
