

ADVISORY NO. 94

TOPIC: APPLICATION FOR APPROVED DOCTOR LIST

TWCC has released forms TWCC-71 and TWCC-71 Supplement for use by doctors who are located out of state, or doctors seeking reinstatement to the approved treating doctor list for injured workers. As of 1-1-93, all doctors licensed in the State of Texas were on the approved list. A list has not been published by TWCC as of this date, but when the list is published, it will list only doctors that have been removed from the approved list. Doctors who reside or who are licensed outside the state must apply via the TWCC-71 to be added.

The attached copies may be photocopied as needed. If you have questions on use of these forms, please call Erlinda Avila at (512) 448-7986, or Zina Duran at (512) 440-3640.
