

**ADVISORY NO. 110**

---

**TOPIC: TWCC POLICY ON NEW FORMS**

TWCC's policy on the use of newly released or revised forms requires use to begin within sixty days. An example is their recent release of TWCC-45 - REQUEST FOR A BENEFIT REVIEW CONFERENCE. According to TWCC policy, the new form TWCC-45 (Rev. 10/93) becomes a required form effective January 6, 1994.

The Commission has been urged to modify this policy to consider the urgency and magnitude of the change and to note the effective date of required usage on the forms. This will allow carriers to better plan printing and inventory requirements.
