

**ADVISORY NO. 138**

---

**TOPIC:       TEMPORARY MEDICAL LICENSES**

TWCC has issued an Advisory 94-07 (attached) as a reminder that the State Board of Medical Examiners issues a temporary medical license by reciprocity or by Board Examination on application. Until out-of-state verification can be reviewed or the exam has been passed, the "Temp" is valid. The medical bill from these providers will have "Temp" on the HCFA-1500 in box #33. This is a valid entry and the bill must be reimbursed appropriately.
