

ADVISORY NO. 144

TOPIC: TWCC-28 - NOTIFICATION REGARDING MMI
AND/OR IMPAIRMENT RATING

TWCC has released TWCC-28 as recently adopted. The Commission, in an attempt to reduce the number of disputed issues on these two items, is requiring the carriers to supply the attached TWCC-28 (8-94). The Commission directive requires TWCC-28 be mailed with the last TIBs check, or in the absence of TIBs, TWCC-28 should be mailed with the first IIBs check. **DO NOT SEND A COPY TO THE COMMISSION.** TWCC-69 - Report of Medical Evaluation (used to determine entitlement to IIBs), must be attached to the TWCC-28.

The attached copy is being sent for your information and use. If you have any questions about the form, please call Robbin Stull, Forms Manager at (512) 440-3899.
