

**ADVISORY NO. 178**

---

**TOPIC: TWCC - EDI COMMUNICATIONS METHODS**

Attached is a Texas Workers' Compensation Commission information letter regarding EDI Communications. The effective date to begin electronic transmission of reports was September 1, 1995. However, if you have been unable to file data electronically, the Commission is granting an extension to November 1, 1995.

The attached provides methods for electronic submission that the Commission supports.
