**TOPIC: TWCC NOTICE REGARDING CERTAIN WORK-RELATED  
COMMUNICABLE DISEASES AND ELIGIBILITY FOR WC**

Attached is TWCC Advisory 97-08 that sets forth the new rule that has been adopted to provide notice to employees of requirements set out in the Texas Health and Safety Code with respect to work-related communicable diseases.

The notice has been established to inform employees of exposure reporting and disease testing requirements which may affect their entitlement to workers' compensation benefits.
