

**ADVISORY NO. 247**

**TOPIC: NEW UR APPLICATION FORM AVAILABLE**

As you may remember, the Texas Department of Insurance has adopted new guidelines for utilization review agents performing utilization review for workers' compensation cases in Texas. The new rules necessitated the adoption of a new application form. **All entities performing workers' compensation utilization review must complete this application.**

A copy of the application and the final language of the new rule are attached. If you have any questions concerning the new rule, please call Erin Allen at 512/435-2181.
