

ADVISORY NO. 528

TOPIC: DWC Makes Changes to Wage Statements

Effective July 1, 2022, DWC overhauled the DWC-003 (Employer's Wage Statement), the DWC-003ME (Employee's Multiple Employment Wage Statement) and the DWC-003SD (Employer's Wage Statement for School Districts).

Generally, when there are changes to a DWC form, DWC allows a transition period between the old form and new form. That period is generally between 90 days and six months. Our recommendation is that the carriers attempt to make the transition within 90 days.
